

“Succession Notes,” 2 Samuel 8-10

February 2, 2025

Hartford Bible Church

Dan Hummel 2024-2025 Series “David & the 5 T’s”

Numbers in parenthesis () refer to verses in 2 Samuel.

1. David encouraged by God (7:8-29).

What encouragement do you see from God recently?

2. David did the hard things (8:1-6)

How can you use this year to transition to trusting God more and stepping out in faith to do what He’s calling you to do, and stop doing what He doesn’t want you to do, no matter how hard it seems (remembering 1 Thes. 5:16-19, & today’s passage)?

3. David formed like-minded ties (8:9-10).

Who might God be calling you to work with in achieving what He’s called us to?

4. David dedicated treasures to the LORD (8:11).

5. David organized, delegated, relegated, (8:14-18).

6. David kindly remembered important people (9:1-13).

What person can you encourage today, who is “important” in your life?

7. David goes out to war successfully (10).
